Dear Mr. Schoener,

Our letters crossed. We had sent you the package before yours of the 15th was forwarded and reached me, only today.

If the arrangement is not satisfactory, please let me know. Tell me what you want. The bookstore price of OSWALD IN NEW ORLEANS is 95¢, but at that price we have to add a handling charge on individual orders. However, on larger orders we do not have to, and where they are to help us, of course we don't.

But please let me know what you'd like and we'll do it.

Sincerely,
